Dear Mr. Whyrick,

American Future Fund is in receipt of your Request For Additional Information dated December 9, 2011, regarding a 24 Hour Notice of Disbursements/Obligations for Electioneering Communications (FEC Form 9).

With respect to Line 11, American Future Fund inadvertently omitted that information when filing. This omission has been corrected with an amended filing submitted on February 7.

Thank you for your assistance.

Sincerely,

Jason Torchinsky
Counsel to American Future Fund
